

2022 VEIC EXCHANGE

Are you a university student or recent graduate in the United States, Lebanon or Jordan?

Join EWH for a **FREE** virtual design program focused on engineering for healthcare in an international setting!

- Learn about low-resource healthcare & work on **innovative designs** for medical technology that can make a difference
- Collaborate as part of an **international team** of like-minded students, guided by **EWH staff** and **mentors** with field experience

MAY 23 - JULY 1

— “ —
This program gave me guidance and an example of what I could be doing in the future – and I definitely learned a lot of new skills and knowledge from the program that I know one day will be helpful. - 2021 Participant
